

Requested School Supplies for Rheem Elementary Students 2024-2025

We are fortunate to be able to provide all Rheem students with the basic school supplies needed for a rich educational experience. However, in the current era of budget cuts, combined with our desire to provide a wide variety of engaging curricular activities, we ask that parents support our efforts by providing some “specialty” items.

For your Back-to-School shopping convenience, please reference the appropriate grade level below to find a list of school supplies that will both greatly support your child’s educational experience as well as stretch the limited funds we receive from the state.
